TEACHERS' ACTIVITY (2) (FOR TRAINEES)

Teachers' Activity 2 (for trainees)

Effective Lessons- Activity

- **Target group:** Teachers.
- **Activity Objective:** Enhance teachers' knowledge of what to focus on or avoid to increase the effectiveness of lessons.
- **The proposed duration of the activity:** 10 minutes.
- **Activity description:** Group activity, in which participants discuss classroom practices, and categorise them into two lists (Do) & (Don'ts), to increase the effectiveness of lessons.

Below you have a set of classroom practices, categorised them into two lists of (Do) & (Don't) when implementing lessons.

Classroom Practices:

- 1- Focus on a specific group of students.
- 2- Focus on added value.
- 3- Ensure that learning occurs by using effective assessment methods.
- 4- Focus on actions without effectiveness.
- 5- Moving between lesson parts without effective evaluation.
- 6- Planning according to the depth of the curriculum competencies.
- 7- Randomness in transitioning between activities.
- 8- Focus on quantity without quality and depth.
- 9- Use of assessments' results to support students' learning.
- 10- Lowering expectations when presenting and evaluating content.
- 11- Employing effective educational strategies.
- 12- Managing lessons effectively.

<u>Focus Areas (Do)</u>		<u>Avoid (Don't)</u>
1-		2-
3-		4-
5-		6-
7-		8-
9-		10-
11-		12-
