### Review Summary

- The school is a safe environment where students well-behaved and receive appropriate personal support.
- The school has some positive aspects, such as communicating with parents, providing suitable opportunities for student to participate in various extra-curricular activities, and cater for students with special needs. Additionally, the school's leadership monitors the workflow and seeks development in an appropriate manner.
- The school needs to focus more on monitoring the teachers' training programmes, ensure they use effective teaching methods, make the most of learning time in lessons, and assess students' performance to enable them to acquire the necessary skills in preparation for the Secondary Stage.
- The school is graded "Inadequate" when reviewed and will develop an Action Plan based on the review recommendations. A monitoring visit will also be scheduled for the school.
