Governance

### Review Summary

- The school is a stimulating learning environment, where students feel comfortable and enjoy the lessons and the school's distinctive activities, programmes, and events.
- The school has many outstanding positive features, such as students achieving high academic standards and enthusiastically participating in school life, through which they demonstrate their promising personal leadership attributes. Additionally, exceptional support is provided to students with special needs.
- The school's leadership is highly aware of the various aspects of schoolwork and operates with high professionalism in maintaining the school's outstanding practices. They encourage staff to be creative and innovative.
- The school places great emphasis on training teachers, especially new ones, which has contributed to outstanding classroom practices, particularly in class teaching, mathematics, and Arabic lessons.
- The school needs to further improve students' basic skills in English, make better use of learning time, and support the low achieving in lessons.
- The school is "Outstanding" when reviewed and will develop an Action Plan based on the review recommendations.
