Governance

Review Summary

- The overall performance of the school has improved to a satisfactory level in this review.
- The school's leadership and staff implement appropriate plans and procedures and ensure proper communication with parents.
- Students are well-behaved, enjoy school life and adequately participate in its extracurricular activities.
- Students show satisfactory academic growth and skills' development as they move across the school's stages.
- Teachers' professional development programmes need further focus on implementing attractive strategies and utilising learning time effectively, particularly in Primary School.
- The school needs to provide more support to students, particularly the low achievers, both within lessons and through its academic support programmes.
- The school was graded as Satisfactory when reviewed and will draft an Action Plan based on the review recommendations.
