Students' Personal
Development

Teaching, Learning
and Assessment

Leadership,
Management and
Governance

Review Summary

- The school has effective self-evaluation and strategic planning processes in place to support its overall performance.
- Students' academic progress and learning skills are satisfactory, in Primary and Middle Schools.
- Students generally demonstrate responsible behaviour and self-confidence within a supportive school environment.
- The school needs to provide more opportunities for students to develop leadership skills within lessons.
- Teaching practices need to focus on using learning time more effectively and providing better feedback to improve students' understanding.
- To enhance the impact of academic support programmes the school needs to increase student participation and attendance.
- The school is rated Satisfactory when reviewed and will draft an Action Plan based on the review recommendations.
