Governance

Review Summary

- Shaikha Hessa Girls School offers an excellent and inclusive environment for students to learn and grow. They achieve high standards and make significant progress in most subjects.
- Students receive effective personal support that fosters their self-confidence and encourages them to actively participate and take leadership roles in the school's various programmes and extracurricular activities.
- Teachers deliver high-quality lessons that effectively use technology. The school also provides organised academic support programmes to meet the individual needs of students.
- The school needs to further enhance the rigour of internal assessments in High School science and mathematics.
- The school's leadership team shows a clear understanding of the school's strengths and areas for improvement. It has a strong focus on rigour planning to enhance its overall performance, which reflects the school's ability to adapt and overcome challenges.
- The school was graded as Outstanding when reviewed and will draft an Action Plan based on the review recommendations.
